If any default has been made in the canvass in this County it is no fault of ours, we did our duty, and we don't propose bearing the blame, if the County gives a majority against the Convention.

In this connection we will state that we never saw so dead a canvass as this one. Not a single speech was made in this County so far as we are informed, either for or against the Convention, except four made by Jno. J. Davis for the Convention.
